

Testimonials

A beautiful testimonial from a Genesis mom, we really appreciate the kind words, thank you!"From the day I found out I was pregnant I knew that I wanted to birth at Genesis. I had heard so many positive things about Genesis it didn't make sense to go anywhere else.

On 23 November 2019 I gave birth to my baby boy with the help of my midwife, Ruwaida, and Doula, Shannon. I had a water birth and absolutely loved the experience. If I had to describe my birth in one word it would be BEAUTIFUL. But that's all thanks to Shannon and Ruwaida."

"There is no greater gift than having the most amazing birth team. Ruwaida is the most wonderful person and the worlds best midwife. I can never thank her enough for the unlimited kindness, support and love she showed to us at all times..Her genuine positive attitude and belief in me and my ability to birth naturally made me believe in myself. Our entire birth experience with Ruwaida was perfect in every way. I will cherish these unforgettable memories forever InshAllah. Alhamdulillah we are truly blessed to have had Ruwaida and Saadiyah be a part of our beautiful journey ...

11 March 2016, the day that changed our lives forever for the better. Having Ruwaida Moola as my midwife n Saadiyah Sayed as my Doola was the best choice we could have ever made. Ruwaida gave my husband and I the best support and comfort to birth our 1st baby naturally. She is warm and gentle and very experienced in what she does which gives you that peace of mind, you know you can rely on her.

She answered every question of ours with a smile on her face no matter how silly it may have been. During birth Ruwaida and Saadiyah worked brilliantly together to ensure I remained calm, positive and did what my body wanted. I was in slow progressing Labor for more than 18 hours and yet she did not rush that process. She gave me that chance which most women don't get. Immediately after birth my husband joked about having the next one and I confidently said yes, we can do this and that was only because Ruwaida helped make my pregnancy and my birthing process go so smoothly, Shukr Alhumdulillah. We will forever be grateful for all that she has done for us. She is excellence at its best.

I've attended numerous births as a private doula over the years with different care providers, but Sister Ruwaida Moola definitely stands out for me with her kind, caring, compassionate nature, not to mention her extensive knowledge and skill as an advanced midwife.
